## ALPHA BETA CHAPTER OF ZETA PSI

SPRING 2005

MINNEAPOLIS, MN

VOL. 1, NO. 2

### GRAND MOOSE CORNER

#### CHAPTER ROOM RECOVERED!

In January of 2005 vandals devastated the chapter room, setting it ablaze. On February 12<sup>th</sup>, Alpha Beta alumni teamed up for a restoration effort. IT WAS A SMASHING SUCCESS! Ten men worked heroically, hauling items weighing several hundred pounds out of the house and into a dumpster on the boulevard. The dumpster was ninety feet long, six feet wide, and seven feet high. The Zetes filled it completely with unsalvageable bed frames, mattresses, chairs, benches, carpets, and desks. They took time from their busy day to work long hours without a cent of pay...all for the love of Zeta Psi, our Zeta Psi. These alum will be recognized at the upcoming Zeta Alumni meeting on the 11<sup>th</sup> of March. Their names are Eric Silverling, Chad West, Will Tarbox, Ed Conley, Dan Rogovin, Tim Kennedy, Ron Sik, Nate Kegel, Mike Gualtieri, and Carlos Polanco. Great work men! Zeta Psi is proud of you!

### SILVER ANTLER AWARD

#### MIKE GUALTIERI, CHAPTER ROOM CLEANING

The Grand Moose would like to give this quarter's Silver Antler award to all ten Zetes who helped out in the chapter room clean-up. All of them worked hard and each one of them deserve special recognition. They will each receive special recognition at the March Alumni meeting. However, the Silver Antler award can only be given to one Zete per quarter. The Silver Antler award this quarter goes to Mike Gualtieri. On the Saturday morning clean-up, he was one of the first Zetes to arrive on the scene and he worked until the cleaning was through. Great work Mike! You and the others members of the cleaning crew exemplify the best in Zeta Psi!
